

The first Animine Academy

Paris, 10 & 11 September 2015

Programme at a glance

September 10th

- 09:00 - 09:05 **Welcome** (Philippe Chemineau, EAAP - Stéphane Durosoy, Animine)
- 09:05 - 09:15 **Introduction** (Gert Van Duinkerken, EAAP - Wageningen University - the Netherlands)
- 09:15 - 10:00 **Principles of homeostatic regulation: application to minerals** (Agnès Narcy, INRA - France)
- 10:00 - 10:45 **Discussion, questions and answers**
- 10:45 - 11:15 **Coffee break** (La Baleine Restaurant)
- 11:15 - 12:00 **How nutritional Zinc requirements of broilers are defined?** (Yves Nys, INRA - France)
- 12:00 - 12:45 **Discussion, questions and answers**
- 12:45 - 14:00 **Lunch** (La Baleine Restaurant)
- 14:00 - 14:45 **Zinc metabolism in monogastric animals**
(Daniel Brugger, Technische Universität München - Germany)
- 14:45 - 15:30 **Discussion, questions and answers**
- 15:30 - 16:00 **Coffee break** (La Baleine Restaurant)
- 16:00 - 16:45 **Differences between nutritional and growth promoting levels of Zinc supplementation in pigs: effects on performance and on the environment**
(Jean-Yves Dourmad, INRA - France)
- 16:45 - 17:30 **Discussion, questions and answers**

September 11th

- 08:30 - 09:15 **Growth promoting effects of copper supplementation in pigs**
(Paul Bikker, Wageningen University - the Netherlands)
- 09:15 - 10:00 **Discussion, questions and answers**
- 10:00 - 10:30 **Coffee break** (La Baleine Restaurant)
- 10:30 - 11:15 **EU regulation: towards a decrease of maximum Zinc dietary levels?**
(Patrick Schlegel, Agroscope - Switzerland)
- 11:15 - 12:00 **Discussion, questions and answers**
- 12:00 - 12:15 **Conclusions** (Philippe Chemineau, EAAP - Stéphane Durosoy, Animine)
